

Medicare Wants to Pay YOU More!

WMS, the IMA, and DocSite Can Make it Happen Now

Note: Will not apply to specialties of Anesthesiology, Emergency Medicine, Pathology, Pediatrics, or Radiology.

Don't wait for your HIT incentive money. Chances are you may not even qualify for that money, but Medicare will pay you a two percent bonus for 2009 PQRI reporting.

It's easy!

And, it gets better. WMS and IMA have obtained a grant from the Physicians' Foundation to obtain **FREE** licenses for the first 75 Wyoming physicians who agree to participate in the program. Subsequent participants will receive a discounted rate of \$210 (normally \$350).

The discounted DocSite fee is available for a limited time.

Want to Know More?

Join the IMA's Suzan Belzer, Reimbursement Director, for a one-hour **Brown Bag in the Board Room** teleconference session scheduled for

How Does It Work?

Step 1: Register for one or more teleconference(s). A few days before the session, you'll receive a confirmation with dial-in instructions, toll-free number, and all course materials. You must provide a valid email address.

Step 2: Make a copy of the course materials for each audio seminar participant.

Step 3: Listen to the presentation while following along with the course materials. During the seminar, you'll receive instructions on how to ask questions.

Step 4: Complete evaluation form and fax to IMA to receive CEU certificates for participants. Discuss what you learned at the program with all members of your staff and work together to implement new ideas, policies, and procedures.

Refund and Cancellation Policy

If you are unable to participate in the teleconference, you will receive the recorded version (CEU available upon completion of evaluation form.) If the IMA cancels, full refund applies or credit may be transferred to subsequent session.

All topics and dates are subject to change. Please check the IMA website — www.idmed.org — for updates and additional information on the session topics.
