QUARTERLY BOARD UPDATE

The Wyoming Medical Society operates under the direction of a Board of Trustees comprised of representatives from each county medical society as well as Trustees to represent Physician Assistant, Student, Resident and Retired members. The Board meets quarterly to decide strategy and policy for the organization. WMS will send communication following every Board meeting to keep members apprised of work being done on their behalf in the state.

Gerrie Gardner, DO - Vice President

Cynthia Casey, MD - Secretary/Treasurer

Mike Jording, MD - Past President

Stephen Brown, MD - AMA Alternate Delegate

Lawrence Kirven, MD - Johnson County Trustee

Kay Buchanan, MD - Goshen County Trustee

Mike Tracy, MD - Northwestern Counties Trustee

Robert Kanard, MD - Retired Physician Trustee

Jennifer Frary, PA - C - Physician Assistant Trustee

Business of the Board

Financial, investment, and membership reports were reviewed and approved. The Wyoming Medical Society is in sound financial condition and membership is growing.

Annual Meeting Evaluation

WMS Board members discussed many aspects of the Annual Meeting that could possibly be improved in future years. As our membership works to implement EMR requirements, we would like to pursue options for presentations and vendor booths at the meeting, and possibly a FAQ on the website to help in the process. The timing and location of the meeting is another aspect that was discussed. We will be addressing this over the summer with a membership survey. The 2011 meeting is already set for the Hilton Garden Inn in Laramie from June 9-11.

WYOPAC Update

Financial and membership reports were reviewed and discussed. Membership has increased modestly and the financial standing has remained steady. The WYOPAC candidate survey will go out this summer. Officers were nominated and elected. Dr. Brown will serve as president and Dr. Shafer will serve as vice president.

State and Federal Legislative Issues

WMS Executive Director Sheila Bush presented updates on several state and federal legislative issues that are currently being debated. At the federal level, WMS is closely monitoring the SGR short-term relief initiatives and will keep the membership informed when final action is taken. She also reported the Red Flags Rule has been delayed again. At the state level, the board of midwifery has been formed and are in the process of promulgating rules and regulations. WMS was influential in assuring a physician would be on that board and will continue to be involved in the process. The Governor's newly formed Leadership Team on Health Care Reform, as well as the Medicaid Fraud settlement were also explained. Dr. Jording discussed the possibility of pursuing a partnership with the Wyoming Dental Association to develop resources to help physicians when patients present with dental problems.

Community Service Award

The recipient of the WMS Community Service Award was announced. The 2010 award was presented to Dr. Nick Morris of Powell. He was recognized at the President's banquet and press releases have been sent to announce the distinction.

Centennial Scholarship Fund

Dr. Jording presented a summary of the WMS Centennial Scholarship Fund, including the financial report. The fund has grown by nearly \$10,000 this year to a gift value of just under \$125,000. This has allowed us to present 4 scholarships. This year's recipients are listed below. Dr. Jording also presented a program from South Dakota for recognizing a your physician. He believes the WMS could offer a similar award through this fund. We will also be looking to raise additional funds for the Centennial Scholarship through a mailing this summer.

Centennial Scholarship: Eric Howell, Sheridan

Centennial Scholarship: Sandra Smylie, Douglas

Outstanding WWAMI Graduate Award: Luke Goddard, Buffalo

Outstanding WWAMI Graduate Award: Kimberly Westbrook, Laramie

WWAMI Update

Dr. Hillman and Dr. McEchron presented an update and summary of the WWAMI program. Dr. McEchron described his position with the University of Wyoming, and the success of their interview process in Laramie. The percentage of students coming back to practice in Wyoming has returned to the 70% level. Dr. Hillman discussed some of the new clinical advancements and that Wyoming is looking to establish residency locations. He further asked for support in legislative efforts for expansion of available slots to 20 in Wyoming, for the shadowing program, for the RUART program, to support expanded clerkships in Wyoming, and to help get info out to hospitals regarding WWAMI.
