

Carol Fischer, M.D.
Board Certified Family Medicine Physician
2021 WMS Trustee At Large

Personal Data

I grew up in Green River, Wyoming, graduating from high school there, went to the University of Wyoming and Creighton University and came back to Wyoming for residency. I married Steven Borin who is a PharmD here and have raised four great children in the Cheyenne community. I have been in private practice for 34 years and part owner of an urgent care. I enjoy the outdoor activities Wyoming has to offer and the community, small town atmosphere of this state.
