Following two full days of sharing, learning, and networking during the annual meeting, the Wyoming Medical Society honored past, present, and future WWAMI graduates with a celebration gala Oct. 29 in Laramie.

The first ten Wyoming students began training with the

WWAMI program in 1997. WWAMI is now in its 25th year as Wyoming's medical school.

The Wyoming Medical Society would like to thank all of our annual meeting sponsors and attendees for an unforgettable event.
